

Contributions and Statements

Christophe Rouleau-Desrochers

August 1, 2025

Part I – Contributions to research and development

a. Articles published or accepted in peer-reviewed journals

b. Other peer-reviewed contributions (for example, communications, papers in peer-reviewed conference proceedings, posters)—do not repeatedly list the same proceeding from multiple conferences, proceedings for future conferences or your thesis

c. Non-peer-reviewed contributions (for example, specialized publications, technical reports, preprints, conference presentations, posters, articles submitted)
Technology transfer

d. Contributions resulting from your participation in industrially relevant R&D activities

e. Awarded and submitted patents and copyrights (for example, software, but not publications)

Part II – Most significant contributions to research and development

Part III – Applicant’s statement
